

CHIEF EXECUTIVE OFFICER
MUNICIPAL UTILITIES
AVON LAKE, OHIO

Reporting to an elected and business oriented Board, you will lead a team of professionals that have created one of the premier, competitive water/waste-water programs in Ohio. Under the retiring Chief Executive, this \$60 million dollar system continues to exceed all state and federal EPA requirements, increase its customer base, expand its servicing territories and to achieve profitability objectives.

We will only consider candidates with the following:

- * A bachelor technical degree and necessary licenses in water/waste-water operations
- * Five years minimum successful senior management of both water/waste-water systems public and/or private
- * A career that evidences continued uninterrupted growth and accomplishments
- * Community involvement
- * Personal characteristics: critical thinking and planning; excellent communicator, risk taker; innovator.

Located on Lake Erie, known for its fishing, boating/sailing and other water activities, Avon Lake is an outstanding family community. It possesses an outstanding school system rated by the State as "excellent with distinction" with a large majority of its graduates going on to further education/training.

We offer:

- * A six figure salary
- * A comprehensive benefit program including medical for employee and family
- * Relocation assistance

If you want a career challenge, can meet our high standards and desire to live and work in a family oriented community, e-mail your resume to: jmmevans@ligtel.com or snail mail to: John M. Evans, 501 Lions Drive, Rome City, IN 46784. Call: 1-440-380-7601.
