

DAVID A. LONG SCHOLARSHIP
\$2,000
OFFERED BY
AMERICAN WATER WORKS ASSOCIATION
PENNSYLVANIA SECTION

TO: Financial Aid Officer

The American Water Works Association (AWWA) is an international nonprofit scientific and educational society dedicated to the improvement of drinking water quality and supply. Founded in 1881, AWWA is the largest organization of water supply professionals in the world. Its more than 50,000 members represent the full spectrum of the drinking water community: treatment plant operators and managers, scientists, environmentalists, consultants, manufacturers, academicians, regulators and others who hold genuine interest in water supply and public health. Membership includes more than 4,000 utilities that supply water to roughly 180 million people in North America.

The Pennsylvania Section of the AWWA encourages study in fields relating to the water supply industry and in May of 2012 is offering a \$2,000 scholarship to eligible students. Students are eligible to apply if:

- (1) They have completed one semester of the college junior year or they are a college senior or graduate level student.
- (2) They are pursuing or planning to pursue a degree in engineering, biology, chemistry, business administration or other field which may lead to a career in the water supply industry, and
- (3) They are attending a Pennsylvania college or maintain a permanent residence in Pennsylvania.

Please help the Scholarship Committee choose the most worthy students by distributing the enclosed Application Packet and encouraging interested students to apply.

Additional information can be obtained by contacting Don Hershey, PA Section AWWA, PO Box D, New Cumberland, PA 17070; phone (717) 774-8870; fax (717) 774-0288; or E-mail paawwa@paawwa.org.

Russ Williams, Chairman
Scholarship Committee, Pennsylvania Section
American Water Works Association

**AMERICAN WATER WORKS ASSOCIATION
PENNSYLVANIA SECTION
DAVID A LONG SCHOLARSHIP**

Purpose

The Pennsylvania Section of the AWWA encourages study in the fields relating to the water supply industry and financially supports students who have demonstrated academic excellence and good citizenship in pursuing this goal.

Eligibility

You are eligible to apply if:

- you have completed one semester of your college junior year or you are a college senior or graduate level student
- you are pursuing, or planning to pursue, a degree in engineering, biology, chemistry, business administration, or other field which may lead to a career in the water supply industry
- you are attending a Pennsylvania college or maintain a permanent residence in Pennsylvania.

Entry Requirements

Applicants must submit:

- An official application form.
- A resume, including work experience, extracurricular activities and awards (maximum two (2) pages).
- Official transcripts of all post-secondary education.
- Two (2) letters of recommendation, one from a college professor and one from a water industry professional (if you need a local contact, call the PA AWWA Section at (717) 774-8870.
- A proposed plan of study.

Time Schedule

Complete applications for the Pennsylvania Section scholarship must be received no later than **February 13, 2012**. Recipients will be notified by April 20, 2012.

Support Provided

A \$2,000 award will be provided in the Spring of 2012. Depending on availability, the recipient will be publicly recognized at the Annual Conference of the Pennsylvania Section of the American Water Works Association on May 3, 2012.

Selection Criteria

The Scholarship Committee of the Pennsylvania Section AWWA, will evaluate the applicants and select the recipient based on:

- The quality of the applicant's record.
- Potential to provide leadership in the field of water supply treatment.

The American Water Works Association, Pennsylvania Section, reserves the right not to make an award for any year in which an outstanding candidate is not identified.
