## UNITED WATER

### JOB POSTING

TO BE POSTED ON ALL UNITED WATER BULLETIN BOARDS

- JOB TITLE:** **Production Superintendent  
(Exempt Position)**
- LOCATION:** United Water Delaware  
Wilmington, Delaware
- PRINCIPAL DUTIES:** Reporting to the General Manager, the Production Superintendent supervises the operation and maintenance activities of the Production Department including surface water treatment (30 MGD and 6 MGD) and ASR facilities, booster stations, and storage facilities. Ensures water quality meets all state and federal compliance requirements. Establishes standard operating procedures, develops and monitors capital and operating plan budgets, optimizes production operations, insures that safety programs are in place, oversees the operation and maintenance of the SCADA system, etc.
- QUALIFICATIONS:** Associates Degree in Engineering, Chemistry, Technology, or Environmental Science preferred or equivalent working experience of 5-7 years in water/wastewater plant operations. Has a thorough knowledge of operation and maintenance of water systems and related materials, equipment, and procedures. Must be able to communicate effectively, become familiar with and adhere to local, state, and federal regulations, handle multiple projects, plan and execute operating and capital expenditures and resolve water production issues. Supervisory experience is required. Appropriate State water/wastewater licensed operator certification, or ability to obtain such licensing within one year. Must possess a valid state driver's license.
- SALARY:** Commensurate with experience.
- HOURS:** Monday – Friday, 8:00 AM – 4:30 PM. Must be able to respond to emergency calls and work extended hours.
- TO APPLY:** Submit resume and cover letter addressing position requirements or a letter of application outlining your work history and qualifications to: [jana.milne@unitedwater.com](mailto:jana.milne@unitedwater.com) no later than Friday, May 2, 2008. **Please reference job # and include a daytime phone number.**
