### **AWWA Webcast to Present Forecast of the Next Administration**

(DENVER, CO) – The American Water Works Association (AWWA) will host a special “Brown Bag” webcast titled “The New Administration: A Forecast” at 1 p.m. ET, November 12.

Moderator Tom Curtis, AWWA’s Deputy Executive Director for Government Affairs, will be joined by experts who will spend 45 minutes exploring how the new presidential administration may impact water utilities over the next four years.

The webcast presenters include:

- Tracy Mehan, a former EPA Assistant Administrator for the Water Sector.
- Len Simon, proprietor of Simon and Company, a DC lobby firm that represents municipal government clients on Capitol Hill.

For more information on the webcast and registration details, go to <http://www.awwa.org/education/webcasts>.

###

*AWWA is the authoritative resource for knowledge, information, and advocacy to improve the quality and supply of water in North America and beyond. AWWA is the largest organization of water professionals in the world. AWWA advances public health, safety and welfare by uniting the efforts of the full spectrum of the entire water community. Through our collective strength we become better stewards of water for the greatest good of the people and the environment.*
