2016 DBIA Water Conference Sponsorship Opportunities

The Design Build Institute of America – Liberty Northeast Region (DBIA) is actively seeking sponsors for the upcoming 4th Annual DBIA Water Design Build Conference, which will be held in conjunction with the PA Section of American Water Works Association Annual Conference on May 11th & 12th, 2016 at the Sands Casino Hotel in Bethlehem, PA. There are many opportunities for sponsorship, and we would encourage you to review them prior to making your sponsorship commitment.

It is important to note, that although the PA AWWA Annual Conference and the DBIA Water Design Build Conference run concurrently, and **registration is through PA AWWA for both conferences**, DBIA does not collect any fees or income from the conference other than through the sponsors that so graciously help us to cover our expenses. It is not our desire to make money on this event, but rather to cover the costs for mailings, publicity, networking event and items distributed to attendees at the conference.

Sponsorship Levels

Note: All Sponsorships paid for by 12/31/15 will received a 10% Discount
