

Pennsylvania AWWA
American Water Works Association

Would you like a 12 minute spotlight?

(Limited amount of 15 Vendor Participants Only! First come first serve)

Here's what you do:

⇒ Fill in the "Request to Speak Form" on the next page and submit it promptly.

We need your snappy title for your time slot on the stage. Come prepared to show-off your product technology (We are hoping to see some "latest and greatest" products!) Bring along a sample/display of your speaking point . We will have a computer and projector for your use– so if you would like to bring a SHORT presentation to fill your 12 minutes– bring along your thumb drive to plug in and GO! :)

Date of this showcase: Thursday, May 8, 2014 Time period: 8am to 12pm

Attendees will gain 1 (one) Contact Hour for their PA DEP Water & Wastewater Licenses if eligible.

Any questions can be directed to Sharon@eapindustries.com
