Peter,

I look forward to being a presenter at the PA Section AWWA Annual Conference on Wednesday April 24th. Please see below with regard to our company policy concerning power point presentations.

The PowerPoint presentation we will use during the April 24th presentation contains copyrighted material that ISO does not distribute. Information from that presentation is contained within the Fire Suppression Rating Schedule (FSRS) which has been made available through the ISO Mitigation website. Please see the link below that points to the ISO Mitigation website where the revised FSRS can be obtained.
