Re: Fourth Annual WBWA Open - Monday, September 21, 2015

We are proud to announce that we have scheduled our

“Fourth Annual WBWA Golf Tournament”. The goal of the tournament is to bring together water providers, water operators, water professionals and vendors in Berks County. The hope is to raise money to be used for source water protection projects in the County.

We are seeking sponsors for this golf tournament. Our goal is to use a portion of your sponsorship dollars to subsidize the cost for golf and dinner for certified water treatment plant operators. We are in the final planning stages for the event. The venue will be Willow Hollow Golf Course in Bern Township, followed by a Lobster & Steak dinner at Fish Pond West.

The tournament will start with lunch at 12:00 p.m. followed by a 1:00 p.m. shotgun start. Beer and soda, along with food will be provided throughout the day on the golf course. The cost for a four-man team, which includes green fees and dinner, is \$400. The cost for a team with certified water treatment plant operators will be \$350. We will also offer the ability to attend the dinner and awards event only for a cost of \$85 per person. The dinner and award functions will start at 6:30 p.m. with a ½ hour cocktail time, followed by dinner at 7:00 p.m.
