

**Free 1-Day Wastewater Exam Review Session
@ Bedford County Office
September 18, 2018 (8:30 AM – 3:30 PM)**

A free 1-day wastewater exam review session will be **held on September 18, 2018** by the **Environmental Protection Agency (EPA)** at the **Bedford County Office** and is available to anyone who registered for the wastewater certification exam on September 19th or those currently preparing for a future exam.

The intent is to complement studying already done of the PA DEP Wastewater Modules or other materials, such as the *Sacramento Operation of Wastewater Treatment Plants* manual.

The focus will be on:

- **General Exam Material**
- **Activated Sludge**
- **Nutrient Removal**
- **Math**

Each student will be contacted, via email, 7-10 days prior to the Sept. 18th review session requesting topics or areas in which the student is struggling with.

The EPA instructor, **Walter Higgins**, will then tailor the study session to meet the needs of the students. The instructor will respond to the students prior to the study session to provide suggestions for additional study material for challenge areas identified by the student.

Date:

Tuesday, September 18, 2018

Class Location:

Bedford County Office
200 South Juliana Street, Room 101
Bedford, Pennsylvania, 15522

Time: 8:30 AM - 3:30 PM

Doors open at 8:00 AM
