2019 DBIA Liberty Conference Sponsorship Opportunities

The Design Build Institute of America – Liberty Northeast Region (DBIA) is actively seeking sponsors for the upcoming 7th Annual DBIA Liberty Conference, which will be held in conjunction with the PA Section of American Water Works Association Annual Conference from April 16th through 18th, 2019, at Hershey Lodge and Convention Center in Hershey, PA. There are many opportunities for sponsorship, and we would encourage you to review them prior to making your sponsorship commitment.

It is important to note, that although the PA AWWA Annual Conference and the DBIA Liberty Design Build Conference run concurrently, and **registration is through PA AWWA for both conferences**, DBIA does not collect any fees or income from the conference other than through the sponsors that so graciously help us to cover our expenses. It is not our desire to make money on this event, but rather to cover the costs for mailings, publicity, the networking event and items distributed to attendees at the conference.
