* Course ID #5348 = 3.0 Water & 3.0 Wastewater Contact Hours

* Conference #TBD = Possibly 1.0 extra Credit Hour if approved

Description: The purpose of Course #5348 is to educate water and wastewater operators about the importance of proper valve function, maintenance and repair. The proper application, performance and technical specifications for gate, butterfly and check valves will be discussed. In order to receive Credit Hours for sessions attended, it is the attendee's responsibility to sign the appropriate sign-in sheets to include their Client ID number.
