

Valued Member Resource Guide & Fact Sheet

Mission: Providing solutions to effectively manage water, the world's most important resource.

Vision: A better world through better water.

Membership in the PA-AWWA provides many opportunities for everyone involved with water treatment and distribution in Pennsylvania including public utilities, operators, government officials, consultants, product suppliers, service providers, and consumers. Some of the many benefits of membership are provided below:

Continuing Education and Training Opportunities

- Diversified Operator Training throughout the state, including contact hours and hands-on training provided by industry experts + efficient submission of contact hour information to PA DEP
- Convenient on-line training courses through paawwa.360water.com
- E-mail notices of upcoming training events
- Reduced rates for training courses, seminars, and conferences
- In person, localized District meetings and training spread opportunities across Pennsylvania, the Annual Conference & Exposition, and other specialty events throughout the year
- Check paawwa.org for the latest training opportunities

Technical Resources

- PA-AWWA is a direct conduit to AWWA National: The Authoritative Resource on Water in the World, including monthly publications and newsletters like **Opflow**, which focuses on practical ideas for water operators, and **Journal AWWA**, a forum for thought leaders in the water industry
- Reduced rates for ANSI/AWWA Standards, Industry Best Practice Manuals of Water Supply Practices, and technical reference publications through the AWWA bookstore
- Access to the largest network of your peers who can help solve water industry challenges
- Small systems help-line

Career Advancement

- PA-AWWA provides unique networking opportunities for members to interact with peers, including national and state conferences, district meetings, committees, and other state and local events
- Easy access to job openings / postings
- Opportunities for awards, leadership positions, and respect and recognition of peers

Access to Current Industry News

- Receive the Pennsylvania Section's **Water News Source** quarterly newsletter
- Receive e-mails notifications about important industry news and events, including the latest in regulatory matters
